I just want to thank each and every one of you who have taken a stand for life in this Las Vegas Valley. Together, we have made great strides – abortion clinics have closed, nurses and workers at these abortion facilities have quit their jobs, and inch by glorious inch, our heavenly Father is being glorified through our efforts! Now is not the time to stop or even relax. I believe we are getting close to the tipping point in this nation where the pendulum will swing back into the favor of pro-life. Let's join our ranks once again to fast and pray for this 40 days campaign as we can either once again across from First Choice, one of the busiest pro-life clinics in the nation, and adjacent to the busiest abortion clinic in Nevada. Lives are at stake. This abortion facility must close in the powerful Name of Jesus! Our strong prayer is to one day have a maternity ward serving from this exact location.

Blessings,

Pastor Randy Greer, Senior Pastor Trinity Life Center, Las Vegas

Dear Pastor,

We'd like to briefly let you know about a life-saving prayer project that will take place here in Las Vegas from March through April 14. We're hoping that your congregation will be able to join us as we unite with hundreds of other cities in dozens of countries for a peaceful, prayerful, simultaneous pro-life outreach –40 Days For Life. We pray that this effort will mark the beginning of the end of abortion.

40 Days For Life is a focused pro-life campaign that generates measurable life-saving results. So far, 40 Days For Life campaigns have been conducted in 816 communities in over 56 nations. More than 15,256 children have been reported as saved from abortion, many right here in Las Vegas. Local abortion numbers have dropped – as much as 28%. Post-abortive women (and men) are finding healing and forgiveness. In each city, hundreds -- more than 1000 in some cases -- are getting involved with local life-saving ministry efforts for the first time.

40 Days For Life is a cross-denominational, faith-based effort made up of three key components:

- **Prayer and fasting:** Inviting people of faith throughout our city to join together for 40 days of fervent prayer and fasting for an end to abortion.
- **Peaceful prayer vigil:** Standing for life through a 40-day peaceful, prayerful, public witness near Birth Control Care Center, 872 E. Sahara, behind Tower of Jewels, next to First Choice Pregnancy Svcs.
- **Community outreach:** Taking a positive, upbeat pro-life message to every corner of our city through media efforts, church presentations, door-to-door advocacy, and public visibility

Churches typically adopt a day to pray while participants are asked to sign a statement of peace in which the pledge to conduct themselves in a Christ-like manner. 40 Days For Life has been endorsed by many prominent national leaders. To learn more about the plans for the forthcoming coordinated effort, please visit:

www.40daysforlife.com/Las-Vegas, and REGISTER! We would love to have the opportunity to visit with you briefly, either in person or by phone, to discuss the 40 Days For Life program here in our community. We can explore ways to work together, including a short video presentation to your congregation/group, in this effort to speak up for those who cannot speak for themselves – innocent children in the womb and their mothers.

We would highly welcome a time to meet with you. Please contact us at (702)542-6779 and let us know which days and times would work best with your busy schedule. We look forward to talking with you!

Sincerely,
